

MCHD COVID-19 VACCINE UPDATE

- MCHD is aware of the CDC's new recommendations allowing an additional bivalent dose for adults ages 65 years and older, and for people who are immunocompromised.
- Drive thru clinics will be offered in DeBorgia, St. Regis, Superior, and Alberton. MCHD anticipates these clinics will be held in June. Once dates are finalized, we will hang printed media, post on social media, and in the newspaper.
