DID YOU KNOW?

MCHD offers FREE testing for chlamydia, gonorrhea, syphilis, HIV, and hepatitis c.

WHO SHOULD GET TESTED?

- Testing is FREE and available for anyone age 14 and older.
- If you are under 18 we recommend talking to your parents or caregivers if you are comfortable doing so.
- See a health care provider if you are experiencing symptoms.
- We can help connect you with a provider if you don't have one.
- Each person has different risk factors. MCHD can help determine which test(s) might be right for you, or you can visit cdc.gov/std for information on testing recommendations.
